# Audio Setting

The screenshot shows an audio settings menu with a dark background and light-colored text and icons. At the top, there are four icons: a speaker with a gear, a volume knob with a gear, a speaker with a gear, and a calendar with a gear. Below these icons, the text "Audio Setting" is displayed. The main content consists of six rows, each representing a different audio setting. Each row has a label on the left, a left arrow (<) on the left, a numerical value or "Off" in the center, and a right arrow (>) on the right. At the bottom of the screen, there are three navigation options: "Change" (with a left arrow icon), "Choose" (with a right arrow icon), and "Close" (with a circular arrow icon).
