Image Setting

The screenshot shows a menu titled 'Image Setting' with several options and their corresponding values. At the top right, there are four icons: a gear, a circle with a gear, a speaker with a gear, and a calendar with a gear. The menu items are as follows:

| Option | Value |
|------------|----------|
| Brightness | 75 |
| Contrast | 75 |
| Saturation | 50 |
| Backlight | 90 |
| Update | |
| Restore | |
| Version | 20210215 |

At the bottom of the screen, there are three buttons: 'Change', 'Choose', and 'Close', each with a circular icon to its left.

Image Setting

Brightness : 0-100

Contrast : 0-100

Saturation : 0-100

Backlight : 0-100

Version : 20210215

Audio Setting

The screenshot shows an audio settings interface with a dark background and light-colored text and icons. At the top, there are four icons: a speaker with a gear, a volume slider with a gear, a speaker with a gear, and a calendar with a gear. Below these icons, the text "Audio Setting" is displayed. The main content consists of six rows, each representing a different audio setting. Each row has a label on the left, a left arrow, a numerical value or "Off", and a right arrow. At the bottom of the screen, there are three navigation options: "Change" (with a left arrow icon), "Choose" (with a right arrow icon), and "Close" (with a circular arrow icon).

| Setting | Value |
|-----------------|-------|
| HDMI Volume | 100 |
| Mic Volume | 55 |
| Line Volume | 10 |
| Sperker Volume | 100 |
| Line out volume | 100 |
| Line out mixed | Off |

Navigation options: Change, Choose, Close

Audio Setting

HDMI Volume: 0-100
